

Class Attire Guide

Unless otherwise specified, suggested attire for **girls** for all classes includes: a leotard and tights, and then atop that, they can wear form-fitting clothes that will keep them comfortable/warm (i.e., t-shirts, long-sleeved tees, bike shorts, dance skirts, leggings, etc.). **Boys** should wear form-fitting shirts and shorts, leggings, or slim-cut athletic pants. They may want to consider a dance belt for comfort as they get older. Please avoid any loose-fitting, restrictive, and/or uncomfortable/distracting clothing. Hair must be secured away from the face for all classes. Students that are not dressed appropriately for class may be asked not to participate for their safety. For recommendations for specific styles, please see the detailed shoe and apparel guide.
